DERMALOGICA Daily Microfoliant instantly leaves skin smoother and brighter with rice-based enzyme powder microexfoliates that dull debris. Gentle enough for daily use, it stimulates cell renewal for improved suppleness, helping to balance uneven pigmentation for an even complexion.

ALOXXI ULTRA HOT delivers a vibrant palette of six shades that can be mixed for easy customization. The formula features Advanced Direct Dye Technology, containing positively charged cationic dyes that create a magnetic attraction to negatively charged hair for even color distribution that fades on tone.

STRONG SEXY HAIR Core Flex Leave In Reconstructor provides instant repair action and infuses hair with noticeable strength after the first use. Aloe vera repairs and protects hair, making it more flexible for easier styling and reduced breakage.

R+CO Palm Springs Pre-Shampoo Treatment Mask recharges and repairs hair with a soothing mixture of babassu seed oil, shea butter, argan oil, coconut oil and sodium PCA that conditions, strengthens and adds shine. A nourishing blend of rose hip extract, sage leaf extract, nettle leaf extract, panthenol, amino acids and safflower seed oil creates a healthy scalp environment.

Can also be used after shampooing like a traditional hair mask.

Mango butter softens hair and provides shine.
JOICO K-Pak Color Therapy Luster Lock brings together Bio-Advanced Peptide Complex and QuadraBond Peptide Complex—two Joico ingredient breakthroughs that repair and protect color-treated hair, making it nine times more resistant to breakage while creating a smoother, high-shine finish.

TIGI CATWALK Texturising Salt Spray adds definition and an effortless matte finish to hair while protecting against humidity. Creates tousled texture, moveable body and beautiful windswep waves while infusing hair with the delicate Tobacco Flower Noir fragrance.

TRUSS PROFESSIONAL Ultra Hydration Conditioner contains high-tech active and organic ingredients that when combined gently cleanse, restore and hydrate damaged hair. Nano Repair simultaneously acts as cement inside the hair fiber and a shine adhesive on the cuticles, while key ingredients such as keratin, collagen and panthenol strengthen hair, restore elasticity, and tone the scalp.

EUFORA Smooth’n Straightening Balm straightens and smooths frizzy, curly and wavy hair while giving added control during the blow-dry and styling process. Shea butter restores moisture and shine, soybean phospholipids elongate curls, and marshmallow root extract softens hair while soothing dry, itchy scalp.
